**Attachments:** Forestry-Riparian Draft Rationale 090314(ah).doc; Forestry-Riparian Issue-9-3-14.docx

Jayne,

Attached are the Forestry - Riparian final issues paper and the final (or close to it) rationale document. Both can be distributed for tomorrow's meeting. I will continue working on the landslides document after I read the doct. you sent me. Let me know if you have any questions.

Alan
